- Czech for Foreigners

Miss Basia Lubaczewska

Director of Park Lane International School

We pride ourselves on being a small and caring school: parents, children and staff working in partnership to create a happy, friendly community.

Mr Jay Wilson

Year 4 Teacher

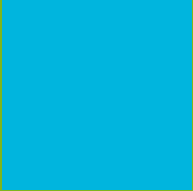

I feel very fortunate to be part of such a dynamic teaching team in a positive and supportive learning environment. Our children are delightful and always enthusiastic about learning and sharing ideas.

Jason Wang

Year 3 Student

I always learn different things every day and I love all the clubs after school. Mostly though I love reading and luckily we have plenty of books to choose from.

Alex Lefort

Year 4 Student

I love Park Lane because the people here like making friends a lot. Also they're really nice to me.

Mrs Kate Szabo

Parent

For me, PL means a top quality education coupled with happy, confident children and my only regret is that I am not young enough to attend myself!

Mrs Jana Karakolevova

Governing Body Member

After three years with the school I am thrilled to see my kids as highly motivated, happy and eager learners with confident and independent personalities. Both us the parents and the children have formed long-term friendships among the Park Lane community and we are committed to contribute to the goal of being the No.1 international school in Prague.
